Chief Engineer

SUBJECT: New Stewardship and
Oversight Agreement

The attached FHWA, Alaska Division and ADOT&PF Stewardship and Oversight Agreement dated May 27, 2015, is effective immediately for all FHWA authorized projects. The January 11, 2013 directive is superseded.

Program management and project development process steps completed prior to May 27, 2015 in accordance with the 2013 SOA are grandfathered under the previous guidance. Program management and project development process steps not completed yet must comply with this new SOA. Coordinate with your region's FHWA Area Engineer to provide informational copies for documentation of project management steps grandfathered under the previous guidance.
