NOTE: These grant recommendations are based upon available federal and state funds as well as available awardee matching funds. Due to limited funding and the number of projects requested only first priority recommended purchase of service/operating assistance project and top priority replacements capital projects per community were funded if the project was recommended by the PEC. No expansion vehicles were funded for SFY2017. Period of availability is July 1, 2016 through June 30, 2017.
